## Welcome to the relaunch of our Newsletter

The team at Rodgers & Co. are excited to be able to bring you regular news and updates to keep you in the loop. We will be sharing case studies of our clients, team profiles, and other interesting information. If you would like additional email addresses added to our database just let us know and we will be more than happy to add them.

## Our new client reception and meeting space is open!

After a lot of discussions, designing and debate our new downstairs office space is open. As we have grown the need for more comfortable and modern meeting spaces for our clients has become clear. The new space has also allowed us to turn the old meeting rooms into a large staff room to accommodate our growing number of staff.

The new space has two well equipped meeting rooms, a quick meet and greet booth and a reception area. Most importantly there has been no change to the warm reception you will receive from Helen or Robyn as you arrive.

Please feel free to pop in anytime to have a look.
